

Important information for parents and carers

Parents/carers, your permission is a legal requirement. Please fill out the rego form with details for each child.

Without this signed form, your child/ren might not be able to attend excursions, or participate in some activities at Youth Group 😞

Regular Youth Group nights cost \$2.
You can pay weekly, or by the term.
(Term 1 cost = \$16 per child)

The money helps to cover the cost of food, drink, and the supplies needed for awesome activities!

3 30
p m

Youth Group goes from
3.30pm – 5.30pm

5 30
p m

Please make sure you are prompt in picking your teen/s up, so the leaders can clean up / go home!

Youth Group is usually held at Casino Presbyterian Church hall (opposite Centrelink) at the times and costs listed above, but we also go on outings together a few times each term.

These outings / events have different costs (usually \$5 - \$10), and are sometimes at a different time (e.g. Friday night, instead of afternoon).

Notes will be sent home when one of these events is coming up.

If you've paid for the term, you'll only need to pay the balance for these events.

Three important reminders for Youth Groupers

- When you are dropped off at Youth Group, we are responsible for you. So please **do not leave the hall** without first asking permission from one of the leaders.
- Please treat everyone (leaders / volunteers / other youth groupers) with respect.
- Youth Group is not the place for Facebooking, Texting, Instagramming, Snapchatting, Tweeting, TikTok-ing, or showing people YouTube clips of cats. If you bring a phone, please keep it on silent, and in your pocket. If you can't resist the temptation to play with it, ask a leader to look after it during Youth Group. If we see you with it out during Youth Group, we may help you to overcome the distraction by removing it from you ;)
